

Menagesh Suba National park,

### ***A camping and culinary tour for groups or individuals***

This park is home to monkeys and bird species, especially woody plant species such as *Olea europaea*, *Myrsine Africana*, *Acacia melanoxylon*, *Junipers procera*, and *Acacia melanoxylon Scolopia theifolia*. Our professional guides will greet you warmly as you board the vehicle and set off on the 43-km road west.

### **Itinerary**

Pickup from your hotel or airport at 7:00AM.

Our professional guides will greet you warmly as you board the vehicle and set off on the 43-km road west.

Upon arrival, we explore the region's renowned diversity of flora and fauna. We continue to explore forest treatment centers in the natural forest and on the plantation, participate in the harvest, and develop a sense of connection with nature.

Halfway through the trek, there is a cooking and camping break where Yebeg Tibis (roasted lamb with onions, garlic, and green peppers in sunflower oil) is cooked, lunch is served with red and sweet wine, and local and international music is enjoyed with dancing and games.

We do have vegetarian and vegan options.

Drive back to Addis.

### **Optional**

This trip can be modified to a full-day hike without cooking. In this case, the price will be reduced.
